I'm thankful for being able to see how God has faithfully sustained the school over the last 24 years.

We have been touched by the families of our school as prayer warriors last year and also by hot meals for our family after my latest surgery. -The Reed family

**I went to school K-8th here. This school gave me a foundation to hold my faith through High School.**

I went to CCS 20+ years ago. I believe the solid foundation I received at CCS is what led to the godly life I strive to have today. It is what has led me to go to college to pursue youth ministry and to serve in several ministries in my church and in my community. Needless to say, Columbus Christian School has had a profound impact in my life.

**Thank you for helping sharing God's love!**

The greatest blessing the school has given to us... it has become our family away from home.

**We are so grateful for Christian Education for our children.**

CCS has blessed our family by loving our children and giving them a quality education!

As a parent, it is truly a blessing to have your child thank you for sending them to CCS and for being able to attend a Christian School where God's Word has made an impact in their lives.

Sleepless nights in prayer, drawing close to God over His direction for the school.

I want to say these two years at CCS have been such a blessing. God has given me life long friends and memories. I will miss the school and this ministry and I hope I can still serve. God Bless! - Didi & Brody Garbers

The patience, kindness and true care has been wonderful. We are forever thankful to the teachers and staff who have given their time and devotion to our children.

Our 3 children went to CCS. We are so thankful for the love and care the teachers gave to our children. Praise God they all have Christ as Lord of their life and live to serve Him. Thanks to the Lord for CCS!

We are very grateful for Mr. Kirkpatrick coming to CCS this year. It is truly a blessing to have him and his family join our school.

**God's Richest Blessing to all who minister and teach our grandchildren.**

**We appreciate our great, great niece and nephew getting a Christian Education.**

I am so thankful for CCS and the teachers. They have been a blessing to my kids over the years and to our family. We have been blessed to be able to send our kids to CCS. It's the best and we are so thankful!
