As Administrator

The school is winding down and the kids are ready to dive into their summer. Teachers are ready to have some down time, but not for long! Several of our staff will be taking classes while others begin the preparation for next fall, planning units to study, activities, art projects, etc. And the office will continue to perk along, at a much more relaxed pace, taking time off occasionally to spend time with friends and family.

Summer is also a time in which many of our larger construction projects are completed. This year, we have several projects that need your prayer for willing workers and God's financial provision. Below is a list of the projects and their estimated costs:

- **Carpeting for modular - \$2000**
- **Carpeting & new ceiling for Kindergarten \$3,750**
- **Preschool Start Up - \$2,500**
- **Math curriculum update - \$4,000**
- **Replace concrete on driveway - \$?**
- **Hallway ceiling & lighting - \$?**

As you can see, we have some ambitious jobs to tackle! If you would like to help work on any of these projects, please give Ken Paul (563-3052) or Trent Tobiason (563-3414) a call. We will notify families and other interested individuals via email for upcoming work days, as well. If you would like to have your name added to the contact list, please send an email to: info@columbuschristian.org.

Also, if you would like to make a donation to any of our projects, please check out the information in the enclosed CCS Giving Brochure. Your kind gifts are a blessing to our entire school and God uses them to further His kingdom work at CCS.

Enjoy your summer and thank you in advance for keeping the needs of our school in your prayers!!

From the School Board

By Mike Dornish

Thank you to everyone who attended this years Spring Banquet. It was a wonderful time. The students, teachers, and staff put together a fabulous program. It is always enjoyable to watch them.

Thank you to all the volunteers who helped behind the scene. Mickee and her team provided us with a wonderful meal. I also want to say "Praise God" for the generosity of our CCS family and supporters. We received close to \$6,000 in gifts to help with our school tuition assistance and preschool startup costs. As many of you know, the school relies on these gifts in order to meet our financial needs. Your continued generosity is a blessing.

I would ask you to continue to pray for us as we continue to search for just the right person to teach the 7th and 8th grade students next year. The school board met in early May and we are in the process of asking God for what He may want to do at CCS over the next 12 to 48 months or so. We do not want to presume on what God will do but we do want to cooperate with Him as we seek to glorify Him. If you have ideas or passions for what you would like to see, please feel free to contact a school board member and share your idea.

Kids of Character

Ben Griess and Zach Weinmeister were the recipients for the YMCA's Kids of Character award for 1st and 2nd grade students. Area 1st and 2nd graders were honored at a lunch reception at the YMCA on May 18th but our students were unable to attend because of a scheduled field trip. Jonathan Niles from the Columbus Family Y stopped by and personally awarded these fine young men their awards. Miss Scheffler, 1st & 2nd grade teacher, wrote the following which Mr. Niles read aloud to the class:

"Ben Griess is a well-balanced and diligent student who is well-liked by his peers. What stands out about Ben is his willingness to always make sure that the other guy is treated fairly and not mistreated by his peers. He has a strong conscience that makes him an excellent citizen and one that can be trusted."

"Zachary Weinmeister is a very diligent and responsible student who works and plays very hard. He enjoys his classmates as well as everything he does. What stands out about Zachary is his deep sensitivity towards people (whether he knows them well or not). He shows a strong sense of responsibility to serve others in time of need, making him a great citizen."

CONGRATULATIONS BEN AND ZACH!!!

"Jesus' Last Days"

By Collin Weinmeister

One night Jesus went to the Garden of Gethsemane to pray. After he was done praying, soldiers came ready to capture him. Judas came and kissed Jesus on the cheek. The soldiers took Jesus and took him to Pilot. They crucified him and nailed him to the cross. Three days later, Jesus rose from the dead.

OUR PURPOSE

The primary objective and purpose of CCS is to provide an educational process for our children that puts the Bible at the center and causes students to learn to use the Bible to evaluate all of life through the eyes of God ... (John 14:6). While parents are ultimately responsible for teaching their children, we are here to assist families and churches in the process of training all students to mature spiritually, socially, physically and emotionally (Luke 2:52).
