

# The Weekly Mane 1/10/2022

## Calendar of Events

January	
1/1	Tuition Due
1/11	School Board Meeting 7:00 pm
1/14	Field Trip to Fire Department
1/17	T-shirt Orders Due
February	
2/3	Parent Teacher Conference
2/3-4	No School
2/11	Soup Supper/Auction

**Clear Communication;** The main ways teachers and staff will communicate with families are Monday Folders, the Remind App, CCS Insider, Email and the students' planners or Take Home Binders. Please check-n daily with your student and sign the planner or binder and return. If you have any questions or notes to the teachers the planner/binders are a great place to leave a note for your teacher.

**Reminder: Send your child(ren) with cold weather clothes, boots, hats, mittens, snow pants, etc. since we try to have outdoor recess as much as possible. Items to keep warm: hats, (waterproof) gloves, scarves, snow boots, and snow pants. They can leave boots at the school if you prefer.**

**Tuition is Due the 1st of Every Month**

## Report Cards

Report Cards are in the Monday Folder. Please look over to see your students progress. If there are areas of concern, please reach out to your child's teacher by email, Remind App or appointment

**Thank-you!!! -to the parents who attended or tuned in to the Parent Meeting last week. Your partnership with us in educating your children is very important to us. If you have not had the chance, you can still view the meeting in our Facebook Group: CCS Insider.**

**Cleaning Family #1 Holt  
Cleaning Family #2 Hopen**

**It should take you about 1 hour to complete. Monday send it back in your students backpack or leave on office desk. Any questions? Call Julie Tiemeyer 402-942-1033**

**T-shirt Orders Due  
January 17th**

**INCREDIBLE  
FAITH**

## Worship Team

Students are working hard to learn their line for the Worship Team practice will resume next week. Worship Team is for students who volunteer to serve and will commit to attending the practice sessions. A few of our goals are for students to learn to serve without complaining and to develop teamwork skills.

\*(Worship Team Practice: Tuesday and Thursday-7:45-8:15 & Friday 2:30 (afternoon during recess time).\*

# Classroom News

	Book: What Do People Do All Day
	Math/Science: Stranger Danger

## K, 1st & 2nd -Mrs. Beck

We are working hard to start 2nd semester strong. We will be spending time establishing strong routines and expectations. Student binders have math homework, memory work, reading assignments, and spelling lists. Students are rewarded when their homework is completed on time. Weekly math homework is due Fridays. Daily reading homework, reading log, is checked each morning.

The new semester also means the addition of History class. We begin our unit learning about our community and its members. Friday, January 14th we will be visiting the Columbus Police Department to meet a community helper and to have tour of the station.

## 3rd, 4th & 5th –Mrs. Makovicka

Happy New Year! We are making a few changes in our room. We are switching from Science to History. In English we are beginning our verb chapter. We have finished our "Sarah, Plain and Tall" Novel Study. Students have taken their "Sarah, Plain and Tall" binders home. They were filled with all the things we did while reading the novel. This week we will resume using our BJU reading curriculum. The weekly verse and spelling/vocabulary words are sent home on Mondays. Please help your child memorize/learn them. Students are tested on them each Friday. Watch for the daily planner. Daily assignments and reading goals are recorded in them. Please make sure your child is checking them off when done and sign it daily. This semester the students are developing their own academic goals. Please encourage them to aim high and strive to complete their goals. We can also use the planner to message each other back and forth. If you have any questions or concerns please let me know either by writing a note in the planner or messaging me on remind or email.

## 3rd, 4th & 5th –Mrs. Pontow

### Bible Grades 3-4-5

Unit 7 Test: God is omnipresent, omnipotent, and omniscient

Begin Unit 8: The Trinity—we will study the intriguing aspect of God's triune nature. How can He be three Gods but one God, and the only God, at the same time? Think of a hard boiled egg cut in half. It consists of the shell, the white and the yolk. Three distinct parts, yet they are all one egg. The trinity is beyond our understanding, but this helps to give us a small picture.

### Math 3

**Long Division steps:** divide, multiply, subtract, compare, bring down, and then start over with dividing. Practice with these steps at home would be greatly appreciated, as well as memorization of the multiplication facts.

Interpreting Line graphs.

### Math 4

**Review common factors**

**Learn how to find the Greatest Common Factor (GCF) for two or more numbers.**

### Math 5

**Fun with Fractions:**

Borrowing with uncommon denominators

Changing mixed numbers to improper fractions

Multiplying fractions

**Apples**  
for the  
**Students**

Be sure to save your Super Saver Receipts for this program. You can either bring your receipts into the school or you can place them in the "Columbus Christian School" bucket at Super Saver.

## Chapel News

**MEMORY VERSE**

**\$40.00**

**\$31.10**  
**Total for**  
**December**

**With man this is impossible,  
but with God  
all things are possible.**

**Matthew 19:2**

**Memory verse due  
January 14th**

**This week we will be learning  
about Gideon and how he  
defeated the Midianites. Our  
goal is for students to under-  
stand that with God all**
