Our class is hatching eggs. Last week the eggs arrived and were placed in the incubator. Next week we will check and see which eggs contain chicks. The beginning of May we expect to have chicks!

3rd, 4th & 5th -Mrs. Makovicka

I hope everyone had a wonderful Easter. I am looking forward to our Spring Concert on Friday. The students are working hard to memorize their lines and learn the music. Please encourage them to practice at home as well. We will not have a new spelling/vocabulary list this week. Instead, in recognition of Earth Day, we will learn how to be good stewards of the earth as God commanded. 1 Peter 5:10-11—Genesis 2:15
Have a blessed week.
