NEW

**STUDENT
CHALLENGE**

The "New Student Challenge" was issued at Spring Celebration—10 people to step forward and give \$1,000 each which will go to the next 10 new students who apply and are accepted into CCS! The challenger had already given their \$1,000!—Our challenge needs 9 more people to step up for this exciting way to give. Last year, we had several new families that received this scholarship! If God is speaking to you about accepting this challenge, don't delay—new families are beginning to apply at CCS.

Children's Scholarship Fund provides scholarships for students K-8 grade whose family qualifies financially. The Applications must be in by May 6th. If you are receiving this scholarship, you must also reapply by May 6th.

Tuition Assistance from CCS

Applications are now available.
Applications are due May 19th.

Terra Nova Testing

Kindergarten through 5th grades worked hard to complete their standardized testing for the year. Results will be mailed to you this summer. We hope you will take a look and see how your student performed. It's always exciting for us to see how many of our students typically score above grade level in the different areas.

Cleaning Family #1 Johnson
Cleaning Family #2 Lawrence

It should take you about 1 hour to complete. Monday send it back in your students backpack or leave on office desk.

Bible and Math will continue this week now that Terra Nova testing is complete!

Worship Team

We will have practice again starting this Tuesday, May 3rd on Tuesdays and Thursdays only.

(Worship Team Practice: Tuesday and Thursday-7:45-8:15).

K, 1st & 2nd -Mrs. Beck

Egg Update! After Mrs. Alesha's visit we learned that 5 of the eggs in our incubator were Yolkers. That means we will have chicks in our room this week! Students will have the amazing opportunity to watch the chicks peck their way out of their shells. As the chicks hatch the class will help to feed, water, and clean the chicks box. Feel free to stop by before or after school to visit the Chicks!

Teacher Appreciation Week

It's time to show them our love and appreciation so let's give the teachers in our lives a special thanks for all that they do during

Teacher Appreciation Week, May 2–6.

Teaching is a Work of Heart!

*In your Monday folder are the Teacher Questionnaires to help you with some ideas for this week.

3rd, 4th & 5th –Mrs. Makovicka

I am so glad to be back to our regular schedule. We have complete Terra Nova testing in our room. It is such a relief when annual testing is done. We will resume using our BJU Curriculum for the remainder of the year. However, we do have some special events planned. This Friday, May 6th our room is attending Engineering Day from 12:30-3:00 pm. The event is at 1 C Church. Students need to wear a Columbus Christian Shirt on Friday. Thank you!

Blessings,
Mrs. Makovicka
